Turn Order

1. Take a chip from the bag.
2. Place it on the table with part of it off the edge.
3. Tap the chip (the “shooter”) onto the table
 - a. If it is still partially off the table, hit it again.
 - b. If it falls off the table give it to the next player to put in his or her box.
4. If you “knock” into another chip you score it into your box.
 - a. If the knocked chip falls off the table, put it into the bag.
5. Repeat with next player.
