

Print 4 copies

Print on sticker paper and then cut out carefully with an Xacto knife.

Wrap each one around a 1 inch wooden block. (You can buy them at any hobby or craft store.)

SHOP

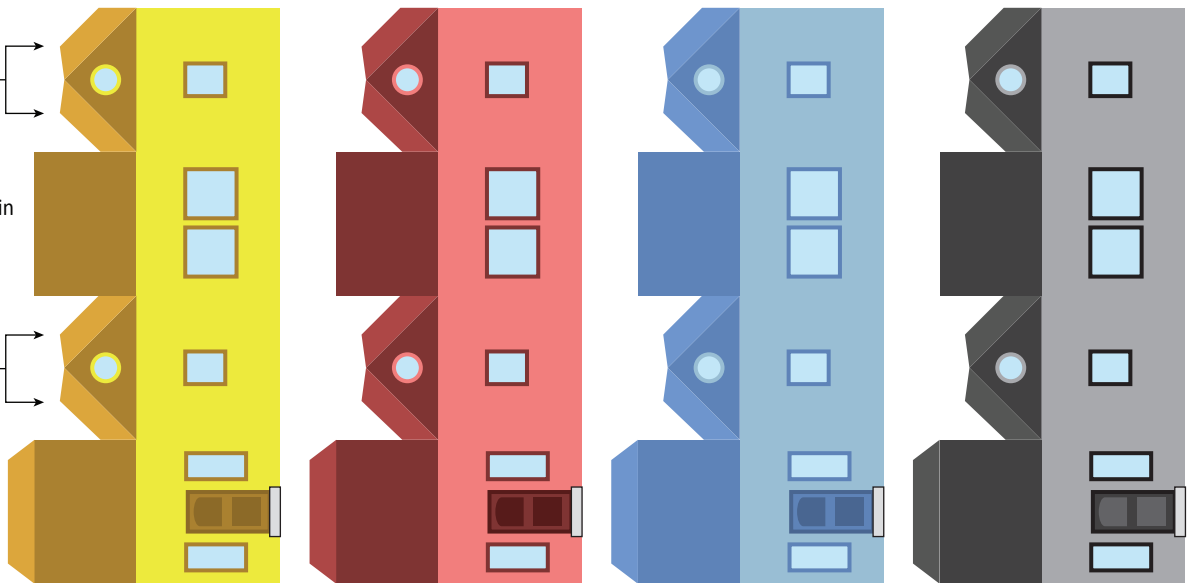

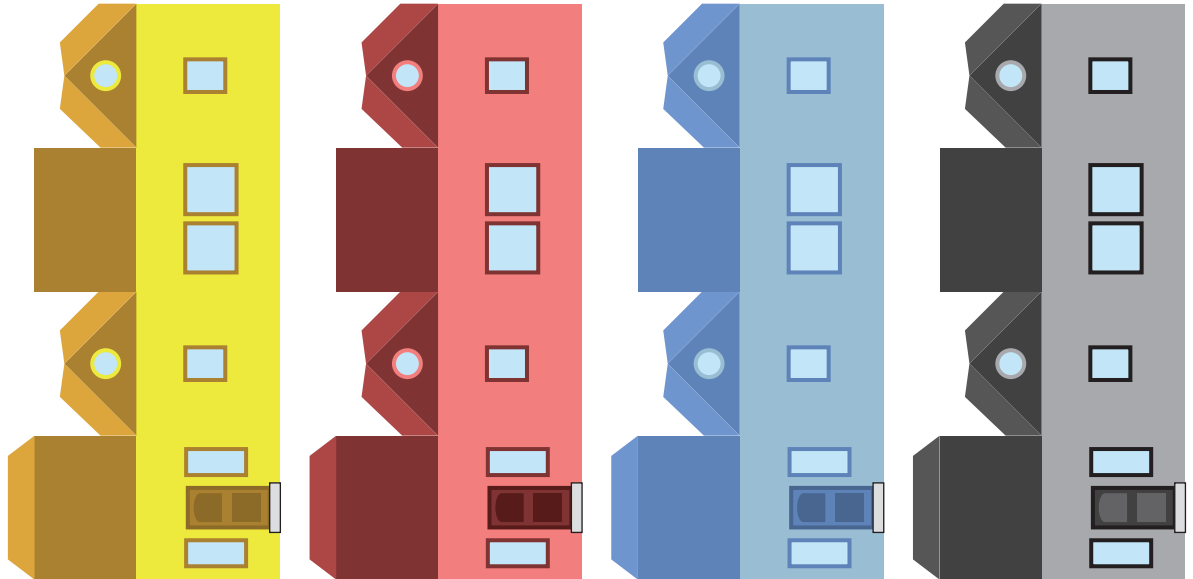

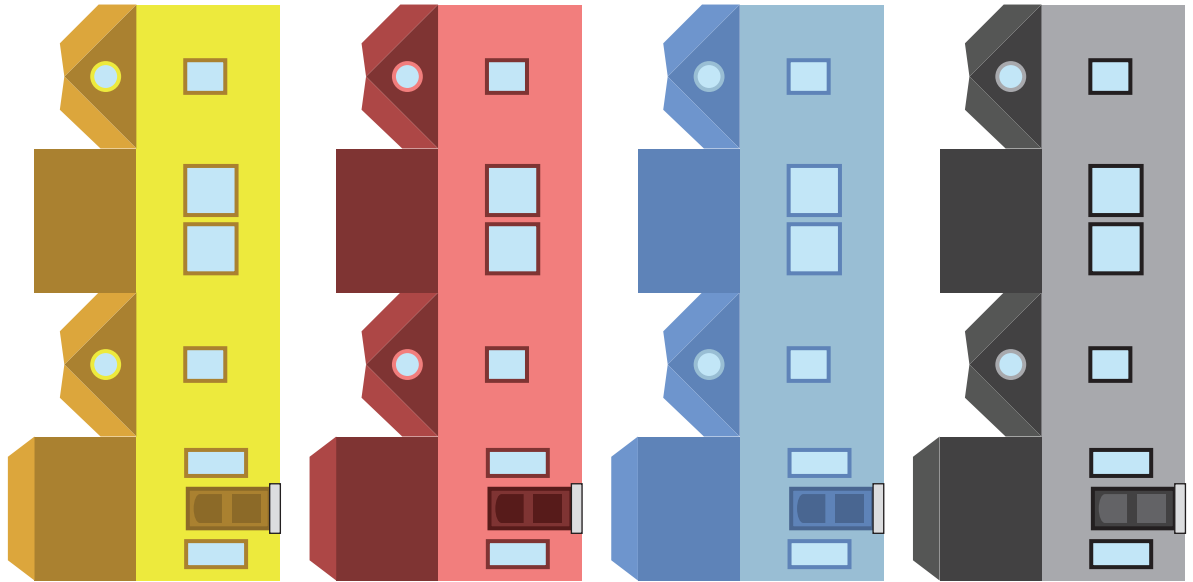

FACTORY

Drill a hole in the top and place a dowel as a smokestack.

Print 3 copies (but you'll only need 8 houses of each color)

Print on sticker paper and then cut out carefully with an Xacto knife.

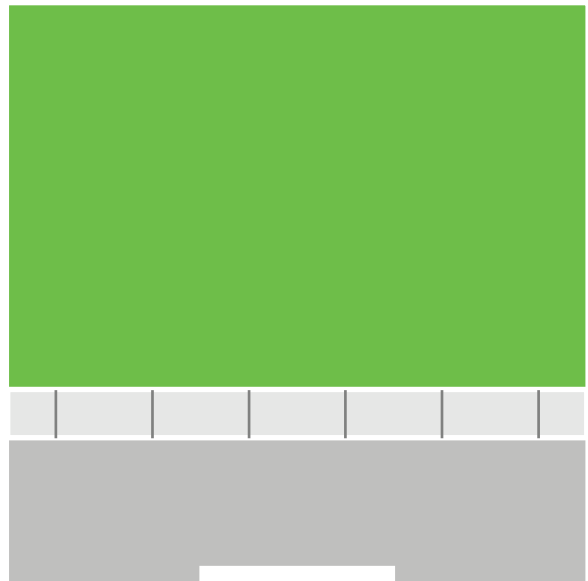

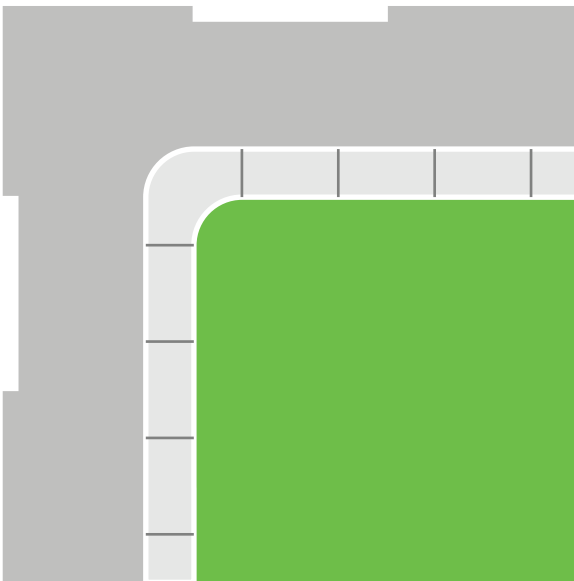

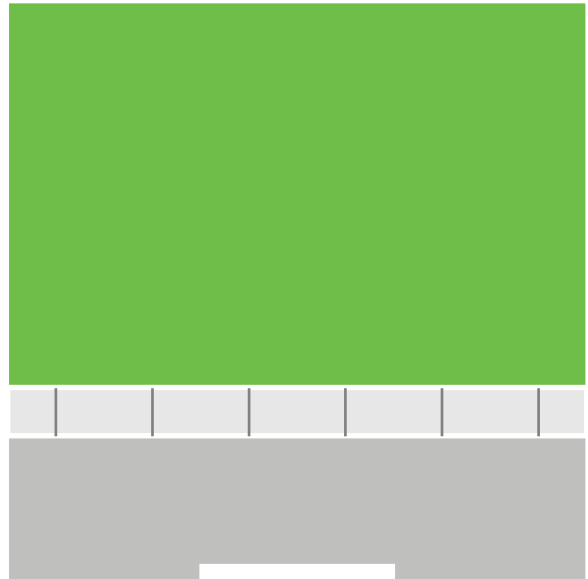

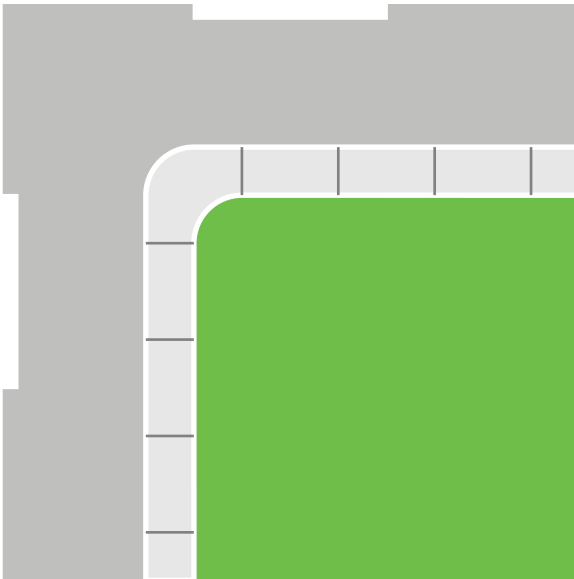

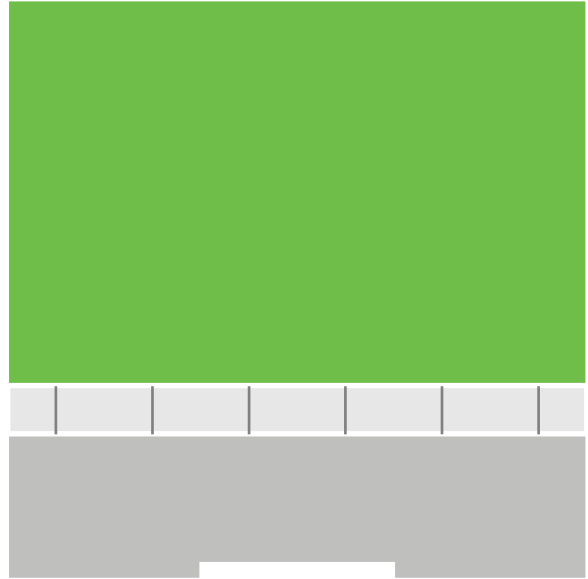

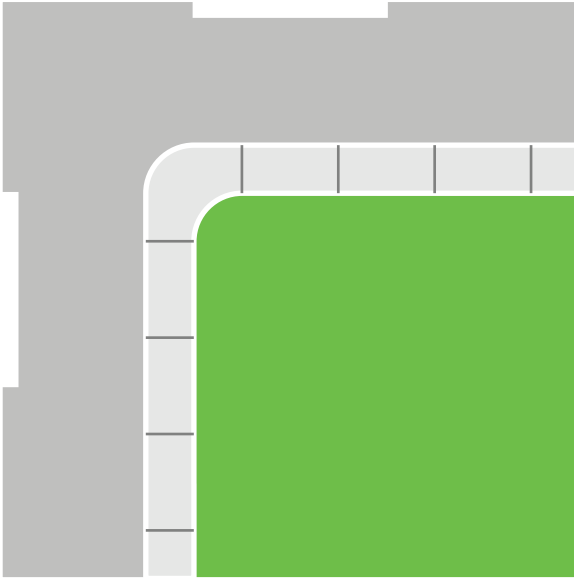

Wrap each one around a 3/4 inch wooden block. (You can buy them at any hobby or craft store.)

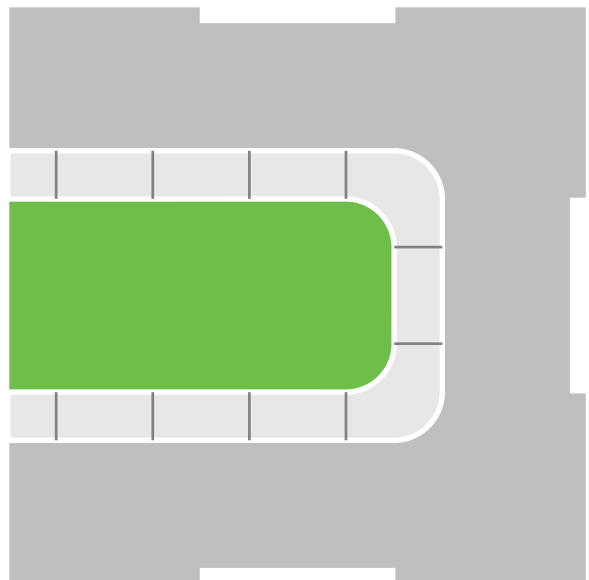

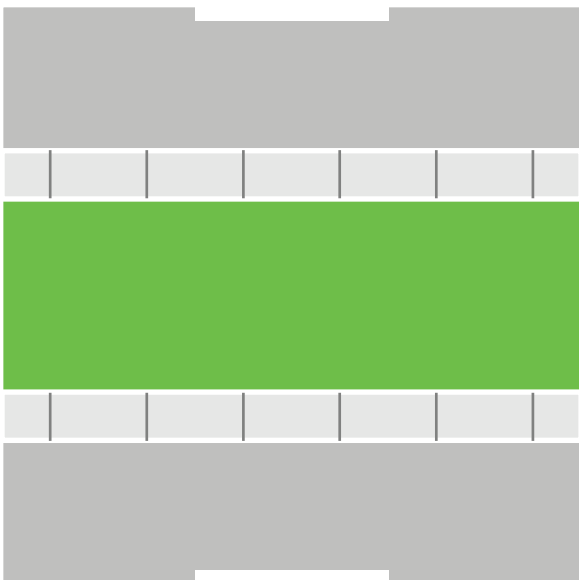

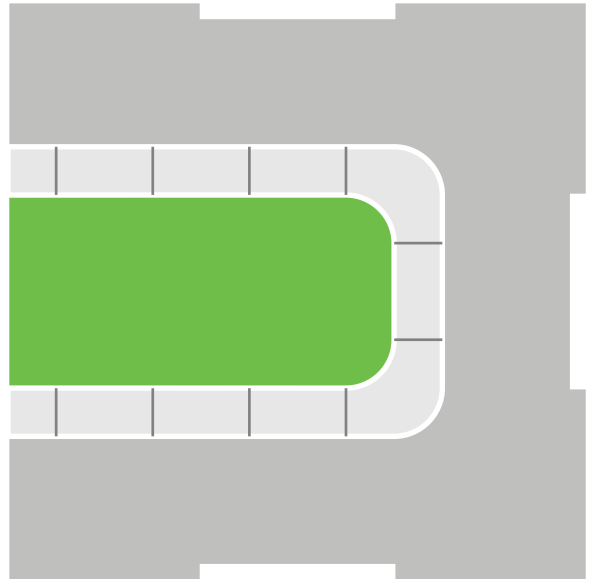

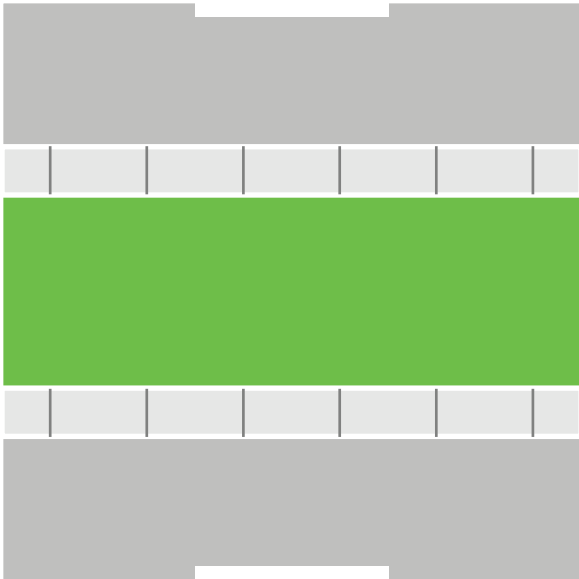

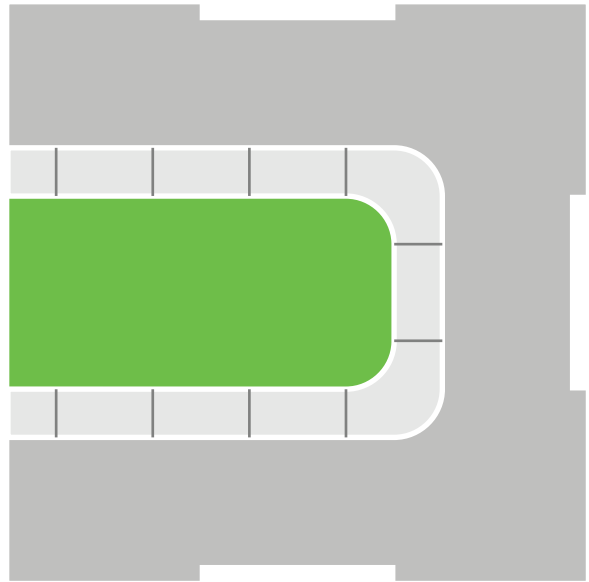

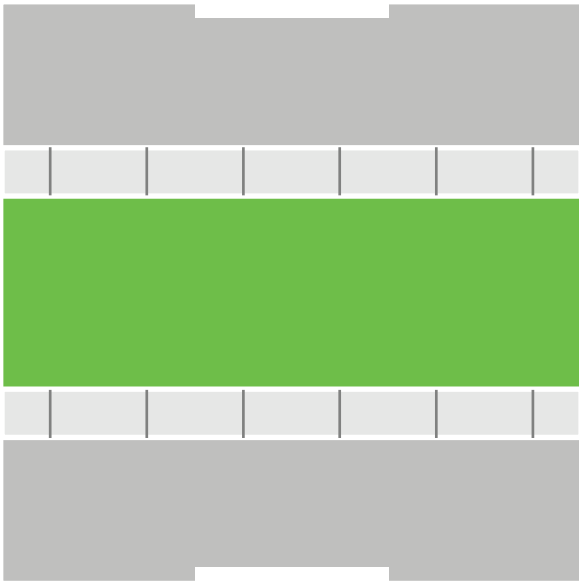

HOUSE

Fold flaps in for roof support

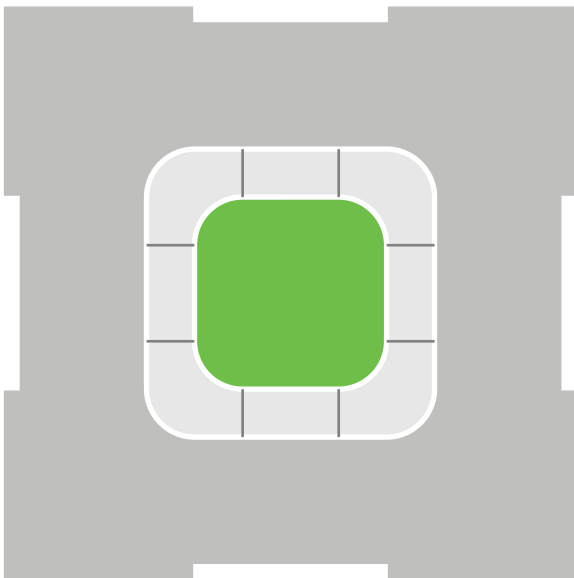

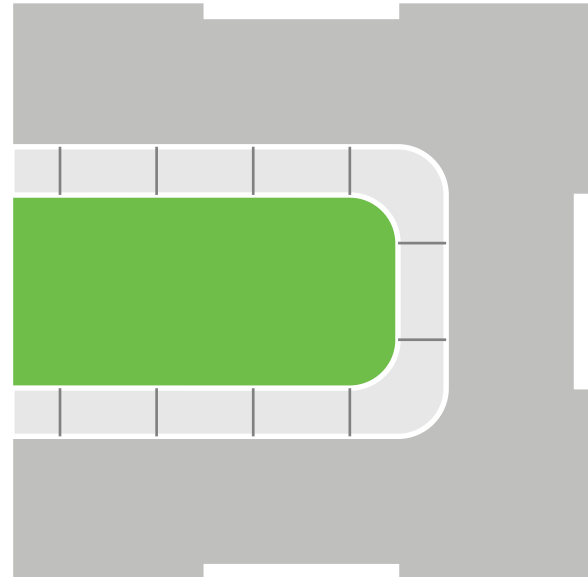

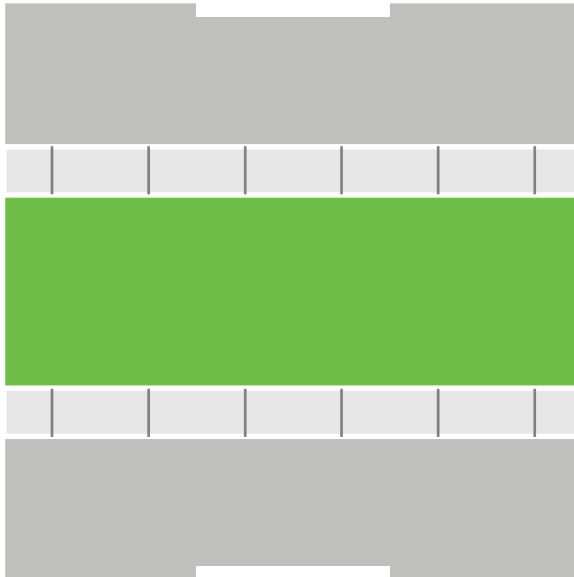

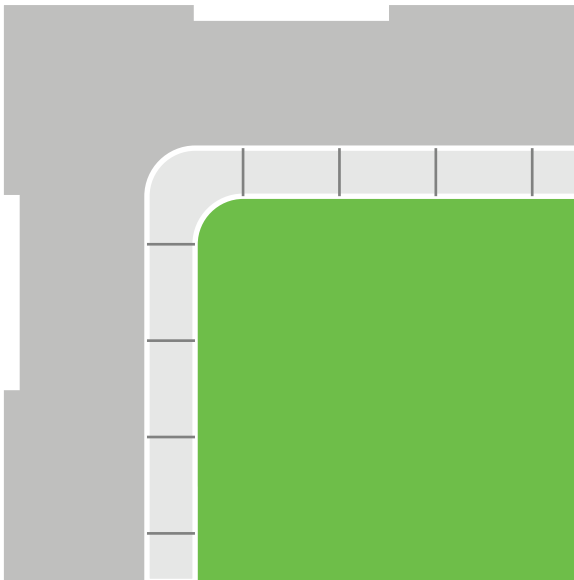

Print 5 copies  
Print on heavy cardstock

Print 5 copies  
Print on heavy cardstock

Print 1 copy  
Print on heavy cardstock

TOWN SQUARE

You'll also need little cars. 8 cars in 4 colors.  
I recommend Hot Wheels "Squinkies".
